MISS STEVENS BECOMES BRIDE OF MR. FRANK HAYES

Pretty Wedding Takes Place With Relatives and Friends Attending Ceremony

PLAN EXTENSIVE TRIP

Wedding bells and rice were the order of events at the home of the Stevens on 10226 Longwood Drive, Saturday, March 29, when Beulah Estelle Stevens, daughter of Mr. and Mrs. R. G. Stevens, of that address, became the bride of Frank Kerr Hayes, of 2000 W. 101st street.

Rev. Clyde McGee, minister of the Bethany Union church, spoke the magic words at 8.30 p. m. which united the couple in holy bands of matrimony. Miss Norma Stevens, as maid of honor Martha Hill, Elizabeth Brewster, Bess Broumer, Mariam Way, all intimates of the bride, were

"BILLY" WILSON SAYS COOLIDGE IS MAN NEEDED

Former Congressman W. W. Wilson of this district says that President Coolidge should be nominated for president by the delegates to the Republican National Convention at Cleveland this year. And if he is elected as a delegate at the primaries on April 8 he will vote and work for him until nomination is made.

Mr. Wilson represented you in Congress from 1903 to 1921 for sixteen years and feels he is justified in stating to his old friends that he feels President Coolidge is the greatest and most courageous man in public life. That he is also conservative and constructive, sane and sensible, fair and fearless in all matters pertaining to our country's welfare, irrespective of his own political future and that we need a man with his sterling honesty, his fair and fearless judgement, his untiring energy and devotion to duty, his constructive and conservative ideas, and his good, sound, wholesome Lincoln-like sense.

He hopes that you will remember to vote for him on primary day as an instructive delegate for President Coolidge.—Adv. 3-20-27 and 1-3 '24.

UNIVERSITY CLUB DINNER PROVES TO BE GREAT AFFAIR

With pep and cheers worthy of a Harvard-Yale or Big Ten football game the Ridge University Club put over its first dinner at the Parish House last Friday night One hundred and seventy-two college men and their wives and sweethearts seated themselves after a lusty "Hail, hail the gang's all here" and fell to chatting and eating with enthusiasm.

The dinner with its piping hot roast beef, gravy, potatoes and other savory "fixings" was prepared by Mrs. F. K. Jerome who has so ably handled the refreshments at other University Club occasions. Mrs Wm. H. C. Carhart had charge of the tables which were prettily decorated with bowls of daffodils and lighted candles. The guests were served by a group of jolly Campfire girls.

The novel stunts prepared by Mr. and Mrs. Anthony R. Gould made all feel the spirit of comradeship no matter what school they hailed from. Most of the men were early equipped with black, red or blonde mustaches and beards to counterbalance any recently bobbed hair. "Polly-wolly-loole" with sixteen original verses written especially for the occasion took considerable liberty with the names and reputations of different colleges. Tom Brown led the singing colleges. Tom Brown led the singing.

A roll call by schools called forth more songs and college yells as well as critical songs from old time rivals such as "Out the window you must go."

Following a brief address by Dr. Bonus a business meeting was held at which a constitution was adopted. This provides for an active membership composed of men who have attended college one year or more and an associate membership made up of college women The initiation fee is waived until January, 1925, so that college people now living along the Ridge may become members without this additional expense. Membership blanks may be secured from the officers.

An election followed the adoption of the constitution in which Wm. H. C. Carhart was chosen president; R. P. Shimmin, vice-president; Fred Steers, secretary; and Charles McCumber, treasurer with David C. Patton, Roland Lawrence and Guy P. Palmer as directors.

Workman Finds Nude Baby In Ash Heap

A gruesome find was made by David West, of 8510 S. Ada street, last week at the dumping grounds on Beverly and 96th streets. While digging in the mound Mr. West uncovered the nude, lifeless body of a male baby, presumably not yet a year old, which had been interred in the dump for some time.

No clue to the mystery has yet been found as the police at the Gresham station were at loss to make a clear statement of facts concerning the find. It is supposed by the authorities, that some one had placed the body in an ash can in some distant part of the city and it had been hauled to that point where it was found later in a state of putrification The body was taken to the county morgue

CITIZENS TRAINING CAMP IN FAVOR FOR YOUNG MEN

Ridge District Residents Take Active Part in Enrollment Plans for Rookies

LEGION SPONSORS WORK

Ridge District residents are taking an active part in the campaign for enrollments to the Citizens Military Training Camp at Camp Custer this summer. At a meeting last Thursday evening at Cosmopolitan Hall, 79th and Halsted Sts., the plan of action for the drive was outlined.

Capt. Cecil Smith, 10006 Parnell Ave., has been appointed chairman of the 19th Ward organization by the War Department and Lt. W. E. Rowens Jr., 10518 Prospect Ave., was elected secretary of the organization.

The movement to secure young men between the ages 17 and 24 years to attend the camp is being supported by all the reserve officers in the ward

Mt. Greenwood Deal Is Closed Incident

Owing to the opposition of the property owners in the vicinity, to the vacaton of California and Fairfield Avenues for the Mt. Greenwood Cemetery Co., the Ordinance introduced by the company was March 28 re-committed to the Streets and Alleys Committee at its next meeting. This was done at the request of the company, when it was apparent that the Ordinance would not pass the City Council, although it had been recommended by the Streets and Alleys Committee for passage. This disposes of the matter which has stirred up so much interest in our Ward and in various parts of the City.

Celebrate Silver Wedding

Mr. and Mrs. Tracy Robinson, 616 W. 71st St., celebrated their Silver Wedding Anniversary Thursday evening, March 27. The service was read by Dr. Robbins of the Auburn Park M. E. Church. Virginia Tidd sang, Mary Van Pelt played several pieces on the harp and Miss Elliott gave a reading. All partook of the dainty refreshments. Mr. and Mrs. Robinson received many beautiful silver gifts. Mr. Robinson is a member of the Euterpian Men's Chorus.

VOTE FOR ALBERT E. BEATH for Legislature

Vote for an experienced and practical Attorney, competent. able and aggressive. He will reflect credit to our district when elected. Some of the Legislation Mr. Beath will support is strict enforcement of Civil Service; proper care of disabled Veterans and equality of Women's Rights; initiative, referendum and recall; maximum safety and health standards for working men; prohibition of Child Labor and a living wage for workmen in all industries; presidential preferential primaries and all Legislation beneficial to the citizens of our State and the 11th Senatorial District.

There are four other candidates for Legislature Have any of the four declared themselves as to their politics? There are many issues at this time that directly concern the people and you cannot be too careful in selecting the candidates to serve you. Be sure when you voting April 8th that you cast your vote in the interest of your fellow citizens, and not for some individual that is only concerned in securing a political office for himself. In these times we need fearless and competent men in public office. None of the other four candidates have declared themselves on any of the Issues.

One of the candidate's sponsors are men who held office under Deneen for years, one proposing to be a leader in every political faction, who contributed his part in ruining Mayor Thompson, discrediting our party, and who now after contributing his part in wrecking one administration loudly denounces the machine he was indentified with for over eight years.

Another who two years ago ran for Congress was decisively beaten, now attempts to foster himself as a leader of the people and a leader of a Ward.

These Gentlemen feeling that the Crowe-Brundage Organization will elect a whole ticket are loudly clamoring to get in. They are fostering the candidacy of Mr Miller whom they took from a school room, a chapter from the Arabian Nights from the school room to the Legislature. With all respect to Mr. Miller and the profession he represents, do you think that school-teaching qualifies him to enact and make law for the people of the State of Illinois?

Wm H. Cruden being sponsored by the Deneen Organization He was a member of the Legislature and was decisively beaten when he again ran for office two years ago. He should not be nominated as he is not qualified or fitted for the office he seeks.

David R. Swanson present member of the Legislature voted on matters of interest concerning the people of our District and State but his record was not constructive. He is far superior in ability to either Mr. Miller or Mr. Cruden.

David Wayatt aspires to the Legislature. We do not know his qualifications or ability.

Vote for ALBERT E. BEATH. He has for the past five and one-half years been Assistant Attorney to Attorney General Brundage, Inheritance Tax Division where he has made an enviable record for himself. The Attorney General must know the law. What better training for the Legislature than five and one half years in the Attorney General's office. Mr. Beath is fifty years of age, resides at 6817 Union Ave You may give him three votes by voting for him only. We respectfully solicit your support and vote on Primary Day, April 8th, 1924.

We also respectfully request your aid and support on United States Senator Medill McCormick, Thurlow G. Essington, Edw. J. Brundage, Charles V. Gregory, Lewis Renaker, Sanitary Trustees, Wm. J. Healy, John K. Lawler and Gotthard A. Dahlberg, Robert E. Crowe and the whole county ticket.

BETTER CIVIC GOVERNMENT LEAGUE

YOUNG AMERICA ON THE RIDGE TO SHOW THE WORLD THEIR STAND ON PACIFISTS, SLACKERS AND DODGERS

Student Body Enraged By Action of University Pinks Adopt Resolution To Support Flag And Government Ideals

CLAIMS PREPAREDNESS IS NECESSARY

Thanks to the teachings and instructions of the faculty and parents of the upils of the Morgan Park high school, there are no mollycoddles, milksops or pacifists on the roll. This fact was made self evident last Friday afternoon at the M. E. church, as a mass meeting and patriotic demonstration was staged as a direct thrust against the pacifist views of the Northwestern University student body which has caused such a furore by their allegations against preparedness and future wars, as well as their unmitigated stand against the American Legion and its members who as champions of the defenders of the flag were brave enough to confront the student body which possessed the unspeakable nerve and defiance to hiss the American standard. Unharmed this body got away with a stunt that has caused the death of more than one radical.

The metamorphose is rapid. From a slight rosy pink to a rabid, raging red is but a step. The Northwestern unit is running true to form. The pinks, if left unharmed will soon run amuck with their own breed, the bolshevist. All praise to the red blooded students who have the courage of our forefathers who fought against tyranny. There has always been a mild type of coward; namely the pacifist. There has also been the man who made the soldier; the type who was not afraid to go forth to battle for a principle. The latter type thanks to good fortune is in the majority.

The Morgan Park student body as well as the entire faculty went on record and adopted a resolution against such movements as the Evanston school has inaugurated. Donald Gillespie, president of the student organization, who was chairman of the church meeting explained the reason for a mass congregation, stating that it was the wish of the concerted entire school to combat the destructive propaganda which that school had started Walter Mack also representing the student body offered a discussion upon the evil of pacifism. In dealing with the subject he said, "If this movement becomes universal, of even adopted by this country, it would be a wonderful invitation to France or Japan to come over here and take what they wanted from the richest country in the world; as we would have no arms or men to protect us from the intrusion. We want to combat this movement and the best way to prevent war, is to prepare for it with men and ammunition. Such organizations as the R.

Scout Banquet Was An Unusual Success

The Boy Scout banquet given at the Morgan Park Methodist Church last Friday night was attended by about 80 boys and fathers. A splendid banquet was served by the ladies of the church. The Scouts pronounced it "the best ever."

The address of the evening was given by Mr. W. M. Stevenson, Chief Scout Executive of Chicago. It was a high appeal for the American boy, and the Scout program. Former Scout Masters were presented by the Toast Master Rev. A. D. Klontz. A saxaphone solo was given by Christy Nicely. There was a demonstration of the opening of a Scout meeting by the Boy Scouts. The entire evening was a splendid success.

PROMINENT RIDGE MAN URGES VOTE TO DEFEAT SMALL

Philip S. Graver, Vice President of the Graver Corporation, steel tank manufacturers, who is well and favorably known throughout the Beverly Hills district, and who is a candidate for delegate to the Republican National Convention, is urging his friends and neighbors to vote the entire anti-Small ticket as the only method by which the voters may effectively curb the evils attendant upon the Small administration.

In a letter that he and Edward B. Lucius, former state representative from our district, are sending their friends and neighbors, they call attention to the fact that certain candidates for state and county office are pledged to support Thurlow G. Essington for governor. Under the

SCOUT NEWS

Scoutmasters' Training Course, will begin Monday, April 14 instead of April 7, as previously announced, so as to give a larger number of men the opportunity to register.

We have a fine group of instructors and will do all of us good to spend five nights, covering a period of five weeks, in this Course, and it is hoped that every Scoutmaster in the District wll try to find time to attend at least part of these meetings, especially the first one, as it will give all an opportunity to meet in a group and see who our co-workers really are. Meetings will be held at the Hamilton Park Field House, starting at 7:30 p. m.

Registrations for the Spring Camp at Owasippi should be in the District Office as soon as possible. Period runs from April 26 to May 5; the cost of the trip will be $5.00, which just about covers transportation. Registrations are limited to First Class Scouts, and our quota is 16 boys, so you had better step lively, as several registrations have already been turned in.

A number of uniforms are needed by Scouts in one of our troops. If any of the boys have uniforms or parts of uniforms in good condition which they wish to turn over to these boys, call their Assistant Scoutmaster, Chas. Stewart, evenings at Wentworth 6333.

One of the Friends of Scouting has a position open for a boy who can operate a typewriter. For further particulars call this office, Englewood 0076. Firm is located in Englewood.

Agar.

The only agar manufacturing plant outside of Japan is located at Los Angeles. The agar is a product of seaweed and is much used for medical and other purposes.

Don't Overdo Politeness.

Those who make an art of being polite are in danger of growing into a habit of too much finesse. Overdone politeness is icy.

Hearts and Diamonds.

In the game of love both hearts and diamonds rank high. But just because the girls wear their diamonds on their fingers is no reason why they should wear their hearts on their sleeves.

Old Scotch Oath.

The old oath of the Scotch jury man was, "You shall present no person for hatred, malice or ill-will nor leave anything unpresented for fear, favor or affection."

An Uneven World.

It's an uneven world. Some men ponder over whether they shall invest $100,000 that day and others wonder whether they "can wear this collar another day."

Yep! It's Spring Sure Baseball Players Out

The Morgan Park baseball club makes it initial debut on April 12, when at that time it meets Culver in the first game of the season.

A few new recruits have been in the limelight for the past weeks and Bloom, is slated as the most likely candidate to perform on the first station of the circuit. Shannites, an infielder of promise has been given a tryout on second base and is making good in the spring work. These men are new in the league.

Gym work for the past few weeks has kept the ball players in trim. Outdoor practice was called one day last week.

An Open Letter

Honorable J. Scott Matthews,
Chief Examiner of Titles,
Torrens System of
Cook County, Illinois.

Dear Friend and Associate:

We have noted the action of the Republican leaders in drafting you as a candidate in the April 8th, 1924, Primary for Associate Judge of the Municipal Court of Chicago, and we concur heartily in their estimate of your great legal attainments and will do everything in our power to help you be nominated and eventually elected.

Your college education resulting in many degrees, including that of Master of laws, ten years' lecturing experience in the Law School of Northwestern University, past experience as Assistant Attorney-General of the State of Illinois, and your other broad general experience in important matters as a practicing lawyer, all covering a period of about twenty years, exceptionally qualify you for judge.

As a citizen your life has been one of constructive service. The adopted suggestions made by you on the Zoning Law of Chicago saved the property-owners of this City at least One Million Dollars in abstract fees.

During the world war, when you found yourself ineligible for active service abroad, you nevertheless performed very valuable patriotic services and among other accomplishments helped organize the Third Regiment of the Illinois Reserve Militia, and became Captain of Company H, organized by you.

We compliment you on having obtained the endorsements of the organizaztions of Chicago that stand for good and able men, including the endorsement of the Better Government Association.

Your deep interest in the workings of the Torrens Office of Cook County, proved by your promise to continue your helpful suggestions after election to the bench, makes us feel that we and the land owners are not losing your support but are instead giving you an opportunity to accomplish even greater things.

Please accept our congratulations and the whole-hearted support of ourselves and our many friends. We will all put a cross opposite your name, which is the nineteenth on the full term judicial ballot, and we hope all of the voters of Chicago will do likewise.

Yours very truly,
Blake C. Smith,

First American Shoemaker

The first recorded American shoemaker was Thomas Baird, who arrived on the second voyage of the Mayflower in 1628. He was under contract with the Plymouth company to make shoes for the colonists. One Philip Kirtland, a Welshman, came to Lynn, Mass., in 1631, and John Adams Dagyr, a celebrated shoemaker settled there in 1750; so Lynn got an early start in the industry for which it is now famous.

Sandpaper as Poison Label

Poison bottles and bottles of harmless medicine feel the same to fingers in the dark, and hundreds of persons are poisoned every year by taking the contents of the wrong bottle, says Popular Mechanics. As a precaution against any possible mistakes paste a strip of sandpaper on the poison bottles.

Maintain Purity of Blood

Among the Hovas, the reigning race of Madagascar, the two higher castes are constrained by social law to maintain a certain purity of blood, the taking of a wife from outside the clan being prohibited.

Oyster Industry Is Large

Oyster culture represents the most valuable fishery in the United States. It employs more than 67,000 persons, drawing wages aggregating about $11,000,000 a year, and uses vessels and apparatus appraised at $17,000,000.

Exchangeable Benefits

There is no objection to other people's thinking what they like—just so they refrain from thinking out loud.

Albert E. Beath For Legislature

Albert E. Beath is the Candidate for Legislature from the Seventeenth Ward. He is an experienced and practical Attorney, competent, able and aggressive. He will reflect credit to the district when elected. Some of the Legislation Mr. Beath will support is strict enforcement of Civil Service; proper care of disabled Veterans; Equality of Women's Rights; initiative, referendum and recall; maximum safety and health standards for working men; prohibition of Child Labor; and a living wage for workmen in all industries; presidential primaries and all legislation beneficial to the citizens of our State and the 11th Senatorial District.

Mr. Beath is fifty years of age, resides at 6817 Union Ave., and at the present time is an Assistant Attorney to Attorney General Brundage, Inheritance Tax Division, where he has made an enviable record for himself. Adv.

Largest Patriotic Society

The distinction of being the largest patriotic society in the world is claimed for the Women's Relief corps, auxiliary to the Grand Army of the Republic, which has more than 200,000 members enrolled in its national organization.

Tribes in "Six Nations"

The following tribes were originally called the "Five Nations": Cayuga, Mohawk, Oneida, Onandaga, Seneca. Later the Tuscarora tribe was added, making the "Six Nations." These tribes are located in New York and Canada, and some in Oklahoma.

Teach Domestic Service

Instruction in domestic service in all elementary schools for every girl between the ages of twelve and fourteen is recommended by a special commission appointed by the British government to investigate domestic service conditions in England.

Headache From Dynamite

If those who are very susceptible to the effects of nitroglycerin touch the hand of one who has been handling dynamite, they will be given a severe headache.

Progressive Marriage Law

The Swedish marriage law is considered to be the most progressive marriage law in the world. Under its provisions husbands and wives are placed on exactly the same footing.

Symbol of Good Fortune

The Swastika first appeared in the Bronze age. Its original significance is unknown, but it has been used as a symbol of good fortune from early times.

WALTER R. MILLER

For State Representative

TUESDAY

At the Primary

Walter R. Miller, Republican Candidate for the State Legislature in the 11th Senatorial District is interested in the school children. There are 420,000 children and 11,000 teachers in Chicago schools alone.

It is entirely fitting that this district having so many excellent schools, should be just the one to send a man to the general assembly who can intelligently represent school interests

Facts Regarding Walter R. Miller

Walter R. Miller resides at 9412 Vanderpoel Ave., age 31, married, four children, educated at Jacksonville High School, Illinois College, graduated from the University of Chicago, teacher in Lindblom High School, Science Department, Instructor in Salesmanship, Englewood Evening School. Born and reared on farm. Son of Mr. and Mrs. C. H. Miller, of Pike County, Illinois. Ninth child of family of ten children. Came to Chicago in 1911. Engaged in educational work since 1915. Employed by Beverly State Savings Bank as solicitor during last summer.

He Stands For:

Efficiency, lower taxes, the enactment of fewer laws the repeal of obsolete and archaic laws, equal and increased policeman's pension fund benefits, women's 8 hour day, extension of the primary system, good roads, and the safeguarding of the welfare of the school children.

His name appears third on the ballot. You may give Walter R. Miller 3 votes, by voting for him only.

CAR THIEF DOING LARGE BUSINESS

Motorist of Today Needs Device That Will Puzzle Skilled Mechanic.

(By ERWIN GREER, President Greer College of Automotive Engineering, Chicago.)

The automobile thief is doing a big business of late, and the police records show a large increase over that of last year. How, then, can the car manufacturer bring out a more or less standardized anti-thief contrivance that will really prevent a car from being stolen, and what would be the characteristics of this perfect lock?

The motorist of today needs badly a contrivance that can be locked or unlocked from the car seat by the driver, or else something that will automatically remind the driver of its existence before he starts the engine again.

Something to Confuse.

Something which merely prevents the engine from being started in the ordinary way is of absolutely no use. For example, if the self-starter is disconnected by the car owner, there would be nothing to stop two or three men from starting the engine by pushing the car with the gears in mesh. Why not give the thief constructive, rather than destructive work? Let him build up instead of tearing down. Destruction is much more simple than construction, and it can be done with most any tool. Any prisoner, given time and a saw, can eventually break jail, therefore, if the device will break a connection of some sort, perhaps something that would temporarily prevent the engine transmitting power to the differential, it would be more likely to confuse the thief than a mere locking device, which could easily be destroyed, and allow the car to be driven away.

It isn't the fact of getting the better of a thief with only a few minutes' time in which to work out his getaway. It's got to be something that will puzzle the skilled mechanical thief, who has no longer time in which to accomplish his work.

Lock Gear in Neutral.

The majority of old-time motorists' suggestions seem to turn towards some device which will lock the gear in neutral, and, by the way, there are already numerous devices of this kind in existence, many of them operated with a Yale key. The keyhole is in reach of the driver, but in such a position as to make it awkward for the thief who tries to file off the device. But here again is a destructive rather than a constructive job, which brings us to where we started.

You, as a car owner, should take extra precautions if you go to unusual risks, in the way of leaving your car unattended. A few simple mechanical changes would help complicate the thief's job and, in many instances, save your car.

Come on, you tinkering mechanics—set your ingenious brains to work on this most needed of automobile problems. There is big money for the man who succeeds in this venture.

Cause of Dim Lights

Did you ever wonder why the engine does not show the accustomed pep or why the lights burn dimly or the ignition seems poor? Unfasten the wires and bars at the battery terminals and notice if they are clean. They must be clean if current is to flow freely. Scrape off with a stick any green or white deposit you see, and spread a little cup grease over the parts to prevent corrosion.

Pedestrians Urged to Face Traffic on Road

The Pennsylvania Motor federation sent to its 62 affiliated clubs a circular urging pedestrians walking on the highways, especially at night, to face the traffic by walking on the left side of the road. After a careful study of the situation, it has been found that in most of the cases where cars strike persons on the highways at night the driver is partially blinded by the headlights of approaching cars and, swinging to the right, fails to see pedestrians. It is contended that if persons walking on the roads would face the traffic they would be better able to avoid being struck, and also would be seen sooner by the drivers of cars aproaching in the opposite direction.

Motorists in Speed Traps Near Hinsdale

Wholesale fleecing of motorists is again being practiced on Cook county highways according to the legal department of the Chicago Motor club. Conditions are particularly obnoxious in that territory west of Western avenue along 95th, 111th, 147th streets and Kean avenue.

The legal department questions whether many of the arrests made in this territory are for a purpose other than revenue. The attorneys plan to go before a county judge and other proper officers with a petition to revoke the power of justices who are guilty of irregularities and who have combined with arresting officers in an endeavor to mulct the public, and if necessary present the matter to the county judge.

The legal department of the club points out that no village has a right to pass ordinance regulating speed. The speed of automobiles is regulated by a state law and this law specifically provides that no city or village has a right to enact an ordinance controlling speed.

Whether or not a car is speeding is determined by the facts in each individual case—no specific rate is provided for because the controlling part of the act is whether or not the car is being driven at a speed greater than is reasonable and proper, having regard for the traffic and use of the highway. The language of the law speaks for itself.

The Wisent Nears Destruction.

The wisent is threatened with extinction. There are no herds of this European bison left and only about 50 head scattered widely in zoological gardens and preserves. Plans have been proposed in Germany to get some of these animals together and start breeding them. The success of the United States and Canada in bringing back the buffalo encourages old world zoologists to think that the same methods used with our bison will be effective with theirs.

LARGE CROWD IN ATTENDANCE AT DENEEN'S MEET

Nothwithstanding the stormy eve-evening a large crowd filled Tracy Masonic Temple Friday, March 28th, when the Nineteenth Ward Women's Deneen Republican Club held an entertainment and bunco party in honor of the local candidates. Mr. Tom Corwin, the well known entertainer, presented a most unusual and novel program, and proved himself a delightful entertainer. There were many beautiful prizes given, Mrs. Richard Lavery of Morgan Park carrying off the first honors. Mrs. Charles S. Deneen was the guest of honor, and the host of friends which Ex-Governor Deneen, candidate for United States Senator, has along the Ridge were happy to have the opportunity to meet his charming wife.

Charles S. Vail, candidate for delegate to the National Convention at Cleveland, gave an inspiring talk on behalf of Ex-Governor Deneen, and the following candidates appeared and gave short and peppy talks: Donald McGilvray, candidate for Judge of the Municipal Court, Frank P. Sadler, candidate for Congress for this District, George Holmes, candidate for State's Attorney, and William H. Cruden, candidate for State Representative for the Eleventh Senatorial District. The enthusiasm with which these candidates were received, and the hearty applause recorded them, assured them of the hearty support of the people of this community on April 8th.

S. E. Willard, 9603 Racine Ave., died last Thursday after a year's illness. Funeral was held on Saturday and the body laid to rest in Mt. Greenwood cemetery. He lived in the community for 38 years.

A new postal route was opened up in the Washington Heights station. This makes the office have 16 carriers. At present the district is being covered by a sub-carrier. A new appointee will not be on the job until July 1.

The residents of East Beverly, the new subdivision just west of Vincennes Ave. and 99th St. have formed an improvement association among themselves. They have plans to get 99th St. paved, electric lights, and to have Throop St. become attractive and not a mud hole.

Mr. and Mrs. John O'Connor, 95th and Vincennes Ave., were agreeably surprised on March 26 by the arrival of the stork special and were very much delighted when they discovered it was another real boy who was just looking for a mother and dad. Mr. O'Connor was interested in his request and after a conference with the family decided to adopt him.

REPRESENTATIVE ELLIOTT W. SPROUL

Representative Elliott W. Sproul at the solicitude of adminstration leaders in Washington and of Business and civic leaders in the Third Illinois District

Has consented again to be a candidate for reelection.

Keep a business man on the job.

Send back to Washington a man who has been an administration stalwart, always upholding the hands of the late President Harding and President Coolidge, and their cabinet.

Representative Sproul stands on a record of work done, rather than one of premises.

He has been a close friend and co-worker of Chairman Madden of the powerful House appropriations committee in achieving the closest economy in government expenditures consistent with efficient operation of Federal activities affecting every comunity.

He has consistently supported the the adminstration program and was influential in the following constructive legislation:

Emergency tariff act. When the Republican party came in to power in 1921, the Underwood free tariff was in force. The emergency tariff act opened the factories and put five million idle men to work. The emergency act was followed by our present splendid tariff law.

The National debt has been reduced from something like $26,000,000,000 to a little over $21,000,000,000.

Taxes have been reduced for men of small incomes.

The classification act which will put all employees of the government on a living wage and remove the evil of lump-sum appropriations, and the opportunity for "playing favorites." This will promote real economy and efficiency in the transaction of public work.

Representative Sproul is in favor of the Mellon Tax plan, and has been working earnestly with administration leaders for the early passage of this legislation so vital to the business and financial stability of the country.

His zeal to have the employees of the postal service given a "square deal" led to his appointment on one of the five great committees in the House.—Post Office and Post Roads.

Representative Sproul's counsel is sought by the party leaders, his colleagues in Congress value his judgment on matters of business and political policy. He has many friends and no enemies in Congress. A newcomer could not hope to occupy such a strong position, or to exercise such strong influence for the Third Illinois District.

Students Flay The Pacifist For Stand

(Continued from page 1)

O. T. C. and the citizens' military training camps are organized for this purpose.

Those pacifists are condemning the world war veterans for their stand as they attack and mutilate the very principles by which our country is governed. We want patriotism."

The resolutions adopted at the meeting are as follows:

Dorothy Belcher, speaking for the girls of the school demanded to know how the pupils dare to insult the flag in such an audacious manner. "No country," quoted Miss Belcher, "has such a system of public schools and colleges as this wonderful country of ours and now a few students are trying to insult the flag. It is up to us, the younger generation, to do all we can to combat this movement."

Cadet Capt. Robert Hieman, of the R. O. T. C. asserted no person on earth or even in this peaceful country can be peaceful if his neighbors do not permit him to follow the paths of peace. Training to obtain the best results, must commence from the younger generation. That is the main reason the R. O. T. C. was started in the high schools, he avers.

At the opportune moment the country's standard was presented and the oath of allegiance was said by the entire personel of the Morgan Park high school body. Followed by the resolutions, which reads:

Whereas there is certain propaganda abroad charging that the spirit of pacifism and disloyalty to our nation, and its institution is being bred in our schools; and

Whereas certain groups of individuals at this time are attacking our principals of government and seeking to completely disarm our country, be it resolved by the students of the Morgan Park High School that:

I. We will give at all times our complete support to our nation in anything whatsoever it may undertake;

II. We stand ready to defend our nation, its honor, and institutions anywhere or anytime, whether in open war or in attack from within;

III. We absolutely condemn the action of certain groups and individual aims at creating discontent, nonsupport of, and disloyalty to, our nation, its government and institutions.

NOTE: Idea for assembly and demonstration originated with Cadet Battalion Commander of the R. O. T. C., Major Robert Morrison.

Mr. Tretwell, associate professor of education at Columbia university spoke to the students upon the pacifist idea and complimented the school upon their patriotic stand.

He then asked, "Why is all of this schooling necessary?" He answered his own query when he stated that it was for the developement of American citizens.

"When I am doing things that are becoming and which make for the betterment of the country, then I am a good citizen," he finished with that curt remark, which was accepted with much cheering.

MEN'S AUXILIARY TO GIVE NOTABLE GATHERING SOON

A cordial invitation is extended to attend the supper given by the Morgan Park Business Men's Auxiliary at 6:30 p. m. Friday, April 4, 1924, at the Morgan Park Methodist Episcopal Church, 110th Place and Longwood Drive.

Members are requested to invite the wife, or any of the family, or business friends and associates to attend the supper.

Following the supper, Mr. E. D. Stenacker of the National Cash Register Company, will present a talk on Better Business Methods, illustrated with two moving picture films: "The Troubles of a Merchant," and "Cleaning Up Slydertown."

This occasion is of interest to every local merchant, business and professional man, and is an unselfish endeavor on the part of the National Cash Register Company to assist business men everywhere in their respective lines.

The Auxiliary had some little difficulty in securing this engagement, and its members look forward to the pleasure of many in attendance. If circumstances should prevent attending the supper, do not fail to attend the talk and pictures, which will begin at about 7:45. The lecture is free.

The Secretary will be pleased to know as soon as possible how many reservations are wanted for the supper.

ON HIS RECORD
Fairbank Qualified
Bar Association Endorse Local Candidate

Freeman Leroy Fairbank, Republican Candidate for Judge of the Municipal Court, and for many years a resident of the Ridge District, carries with to Tuesday's Primaries the unqualified endorsement of the Chicago Bar Association.

The Committee on Candidates of the Association after an exhaustive investigation of his qualificatons made the following report:

"FREEMAN LEROY FAIRBANK—Republican.

Age 42. He was born in Iowa and resides at 11123 Longwood Drive. He was educated in the public grammar and high schools of Des Moines, Iowa, and Chicago, and at Orr' Business College. He graduated from the Illinois College of Law in 1905, with the degree of LL.B. He was admitted to the Bar in 1906, and has engaged in general practice in all courts. He was Assistant State's Attorney from 1908 to 1912, under John E. W. Wayman. He engaged in general practice 1912 to 1921, being a member of the firm of Northrup, Arnold & Fairbank, and Northrup Fairbank & Klein. He was Special Ass't State's Attorney in the labor graft cases in 1921, and since 1921 has been an Assistant State's in charge of the Grand Jury. He is a member of the Chicago Bar Association.

He has an active professional experience and is qualified for the office.

This whole-hearted approval of Mr. Fairbank's candidacy by a committee composed of disinterested men at the very peak of the legal profession is taken as particularly significant by persons in close touch with public offices and officials. His name will appear first on the ballot under the heading: FOR ASSOCIATE JUSTICE OF THE MUNICIPAL COURT TO FILL VACANCY.—Adv.

The Jovial Man.

A "jovial" character on one meant the type supposed to belong to all persons who were born when the planet Jupiter was in the ascendant. Shagbark Valuable.

The shagbark hickory is one of our most valuable trees from many standpoints, says the American Tree association of Washington. It is not, however, one of our largest, average height being from 60 to 80 feet in height, with a trunk diameter of from one and one-half to two feet. Under most favorable conditions it has been known to reach a height of 150 feet.

The G. R. Lord home at 9534 Winchester avenue, has been purchased by Fred E. Deal, of 1861 W. 95th street. Mr. Deal and family will occupy the same soon. Mr. Lord has removed to New York City.

Richardson and Horine are responsible for the deal and transaction of the same.

On Friday, April 4, at 8 p. m. the congregation and friends of the Morgan Park Presbyterian church will be guests of the Woman's society. Mrs. Bastin will give an illustrated lecture of her trip through the Andes. There will be special music and a pleasant social evening has been planned.

Ridge Voters Asked To Support Ticket

(Continued from page 1)

practice that has grown up in primary elections, it has been found impossible for any man to be elected without organized support, so that a definite alignment has been made by all candidates for state and county office either for or against Senator Essington. The candidates supporting Mr. Essington's candidacy are:

Robert E. Crowe, State's Attorney, Cook County, candidate for re-election; August W. Miller, candidate for Recorder of Deeds, and the other candidates of the regular Republican organization. All these candidates are pledged to oppose Small's re-election.

They also call attention to the fact that three of the candidates who are on the ticket supporting Thurlow G. Essington for governor are residents of Beverly Hills. These are:

Elliot W. Sproul, present congressman who has served the district well for two terms and deserves re-election; Walter R. Miller, candidate for state representative, and Freeman LeRoy Fairbank, candidate for Judge of the Municipal Court.

The letter commends Medill McCormick, United States Senator and Edward J. Brundage, Attorney General, for their condemnation of the Small administration, and then endorsement of Thurlow G. Essington. They point out the failure of Senator McCormick's opponent either to endorse Essington's candidacy or to condemn the present state administration.

We quote from the letter as follows:

April 3, 1924

Dear Friend and Neighbor:

We enclose herewith a sample ballot which is marked for all the candidates approved by the Regular Republican Organization. We send you this because we believe in the character, policies and public records of these candidates. Many of them have served you well, are candidates for re-election and deserve your support. Others are candidates for the first time but are men of character and can be depended upon to represent you faithfully.

Some of these candidates live in our neighborhood. We call your attention particularly to the candidacies of Elliott W. Sproul, for Congress, Philip S. Graver for Delegate to the Republican National Convention, Walter R. Miller for State Representative, and Freeman LeRoy Fairbank for Judge of the Municipal Court, all of whom live in Beverly Hills.

We all know the evils the administration of Small as governor have visited upon our State. The doctrines he preaches violate the best traditions of our State and Nation. The practices he has engaged in are destructive of good government. The candidates whose names are marked are pledged to oppose those doctrines and combat those practices. In the interest of good government, your government and ours, these candidates should be elected. If you agree with us, we will appreciate your giving them your support and vote on April 8.

Sincerely Yours,
PHILIP S. GRAVER,

Wedding Bells For Ridge Debutante

(Continued from page 1)

the bridesmaids. Chas. Hayes, brother of the groom officiated as the best man and aide-de-camp of the groom.

Helen Stevens, the younger sister of the bride was a pleasingly pretty flower girl. The mother of the bride gave a bridesmaid dinner Friday night.

The maids and flower girls were arrayed in every color of the rainbow to carry out the scheme of a rainbow wedding, symbolizing happiness and peaceful journey through life. The home was tastefully decorated in spring colors and easter lilies. Luncheon was served by professional caterers and a reception was held after the ceremony for one hundred and fifty guests.

The honeymoon will cover a period of several weeks, as the newly weds will start for Hot Srings, West Virginia; from that point they will go by boat to New York city, later returning to the Longwood Drive home.

Mr. Hayes has purchased one of the new flats on the hill and will make the future home at 111th street and Hoyne avenue.

The Real Thing.

A friend who continues his regard for you, after you have succeeded far beyond himself, is the real thing.

HIS RECORD AN OPEN BOOK!

ROBERT E. CROWE

FOR STATES ATTORNEY of COOK COUNTY

FACTS AND FIGURES

Prior to his term no money was paid into the county treasury by any States Attorney as Interest; Crowe has paid the county Treasury all money received by him as interest on County funds while in his possession.

Convictions for criminal cases under his jurisdiction have increased during the last four years and bond forfeitures have been enforced by the Crowe administration. He secured conviction against 42 cases of so-called *labor prosecutions.*

As a result of these prosecutions and convictions, extortions, slugging and bombing in building industries have ceased and since these convictions, more buildings have been erected in the city than during any other similar priod.

and by other citizens who have volunteered to aid in the campaign. Among those who attended the initial meeting were Lt. G. G. Lorentz, 11352 S. Oakley Ave., professor of military science and tactics of the Morgan Park High School, Maj. James A. Keating, 1881 W. 108th St., the wearer of the Distinguished Service Cross; Lt. Ralph Crossman, 1749 W. 96th St., Lt. David A. Hill, 1632 W. 105th St.; Father J. J. Mulligan, 9837 Throop St., representing St. Margaret's Church; and Capt. J. C. Holdsworth, 10172 Malta St.

Alderman Donald S. McKinlay is honorary chairman of the war organization and a number of other Ridge District residents including, Mrs. E. A. Mead, 10559 S. Seeley Ave., Maj. A. A. Gray, 9521 S. Robey St., commander of Beverly Hills Post of the American Legion; Rev. Frank R. Myers, 11051 S. Hoyne Ave., chaplain of the 131-t Infantry, Ill. National Guards and others.

All boys who have attended the camp are also members of this years campaign committee.

It was pointed out at the organization meeting that the camp is maintained and operated by the government. There is no cost to the student for transportation, food clothing or medical attention. In the case of boys attending the camp for the first time particular attention is paid to their physical development. The camp is operated during the month of August and furnishes an ideal vacation.

Any boy who is interested or any parents who desire details of the life at the camp can secure same by communicating with any member of the committee.

SMALLNESS OF RADIOS WINS FAME FOR DEAN

Uses Boxes Crystals Packed in as Cabinets For Sets

While most "radio bugs" achieve success on elaborate and complicated hookups, William Dean, 5942 Maplewood ave., owes his fame to the simplicity and smallness of his sets.

For the cabinets of his outfits he uses the little round wooden boxes in which the crystals are packed. The set uses no coil but has brought in all the Chicago stations and WTAY in Oak Park.

Four holes are drilled through the cover and to two of these the aerial and ground are connected. One of the wires holds a B metal crystal and the other acts as a "catwhisker." These two wires are connected with two other wires which are the terminals for the headphones. These two sets which cost 15 cents apiece and which are no larger in circumference than a quarter, are pictured in the accompanying illustration.

He also has a set built in a smaller box which is but a half inch in circumference.

two sets which cost 15 cents apiece are pictured in the accompanying illustration.

The other set with which Dean is shown in the picture, is no more elaborate in construction than the others but because he was able to mount screw terminals on it he can get better results. This set, like the others has no coil, its only unit for catching the waves being the B metal crystal. He claims to have heard KDKA in East Pittsburgh on this outfit, the total cost of which was 70 cents.

Dean is 16 years old and a second year student at the Tilden Technical high school. His interest in radio dates back three years when broadcasting was first started. At that time his father purchased a crystal outfit, paying as much as a tube outfit would cost now. Dean tried to make a crystal set of his own from diagrams he found in a magazine. The diagram called for the use of a coil, but as he had none he tried the outfit without it and, much to his surprise, it worked.

Much of his success he attributes to an efficient aerial he has installed on top of his home. The antenna, which is made up of four wires, is fifty feet long.

In addition to crystal sets he has built a one-tube ultra-audion outfit and a three-tube Armstrong regenerative hookup. On the one-tube he hears KFI in Los Angeles and the three-tube brings in Dallas, Fort Worth and Kansas City on a loud speaker.

The diminutive sets built inside the crystal container will be entered in the Boys' club exhibition and in the Hobby exhibition at Tilden.

—Econ. Photo

The round "pill boxes" to the left of the "large" crystal set below (left) by William Dean are not parts of the larger radio but are complete crystal detector radios that bring in the broadcast program.

WIDOWS OF SOLDIERS TO HAVE NEW HOME

Ground will be broken at 3 o'clock Sunday afternoon for the Maywood Home for Soldiers' widows at First ave. and Third st., Maywood, Ill. A large delegation of Sons and Daughters of Veterans, and local women interested in Grand Army of the Republic organizations are expected to be present to meet the superintendent of the present home at 140 S. Fifth ave., Maywood, Mary A. White.

An extensive program is being arranged.

ESSINGTON COMING TO 18TH WARD

The 18th Ward Regular Republican organization announces a mass meeting to be held Thursday evening of this week at Banner Blue Masonic temple on the corner of Marquette rd. and May st.

Speakers will include Thurlow G. Essington, candidate for governor, Medill McCormick, candidate for re-election for United States senator, Edward J. Brundage, candidate for re-election as attorney general, Robert E. Crowe, candidate for state's attorney, August Miller, candidate for recorder of deeds, and others.

BOYS CLUB FOUR WILL CELEBRATE EIGHTH YEAR HERE

FATHERS' AND SONS' NIGHT TO BE HELD APRIL 10; MOTHERS' CLUB TO SERVE

Chicago Boys' Club No. 4 will hold its seventh annual fathers' and sons' celebration in the club house gymnasium at 6405 Hermitage ave., on Thursday night, April 10, to commemorate its eighth year of service in West Englewood.

Lacking space to accommodate the fathers and sons of the entire membership, admission will be limited to 200. Tickets will be placed on sale Thursday of this week and stopped when the 200th one has been sold. The West Englewood Mothers' club will do the cooking and serving, assisted by the daughters.

The club now has a membership of 450, an increase of 75 since the membership drive began two weeks ago.

Competition for the free trip to the summer encampment is keen. Three boys are tied for first place with two accepted applications apiece: Gordon Lunt, 2017 W. 70th st., William Patterson, 6511 Lincoln st., and Howard Buckle, 6641 Hermitage ave. Seventy-two boys are trailing with one accepted application apiece.

LINDBLOM HIGH WILL CELEBRATE GIRLS' WEEK

Scenes and talks on the importance of girls and women in every activity of today will form part of the "Girls' Week" program to be inaugurated during the last week of April at Lindblom high school. On one day of that week there will be a special feature introduced to show girls' executive ability.

Miss Mary Courtenay, dean of women, is cooperating with other faculty members to make the occasion of definite value to the pupils of the school by practical demonstrations of girls' accomplishments. Students of the household arts department will display evidences of their handicraft.

Miss Lillian Klein, girls' physical director at the school, is arranging the athletic features of the program.

REPUBLICANS TO HAVE MASS MEETING

There will be a big mass meeting Friday night, April 4, at the Columbus theater, 63rd st. and Ashland ave., in the interests of Hon. Charles S. Deneen, Republican candidate for governor and the other men on his ticket. The meeting will open promptly at 7:45. Seats are free and everyone is welcome. Speakers will be: Hon. Chas. S. Deneen, Judge Geo. B. Gorham, Joseph F. Haas, Capt. William C. Scherwat, Leon Romanski, Ben H. Sahr, Ald. Frank J. Link, James A. Kearns and Hon. Edward R. Litsinger.

PROGRESS ON PLANS FOR ST. MATTHEW'S CHURCH

Substantial progress is being made towards the maturing of plans for the new St. Matthew's Episcopal church, Marquette rd. and Hermitage ave. The intensive campaign to secure the remaining $25,000 will start this week, and continue until the objective is reached.

Before leaving for abroad John Bain made the congregation happy by his contribution of $1,000.

Specially designed souvenir builders' certificates are to be issued to all donors, and a permanent book of remembrance, containing all the names is to be provided and kept in a secure place in the church. The prize of $5 offered by the committee for the best essay on the need of a new church was won by Mrs. Nellie Turner, 6603 Hermitage ave.

CUT PHONE WIRES; CAN'T CALL POLICE

To prevent Frank Foley, owner of a delicatessen store at 6117 May st. from calling the police, two youthful bandits who held him up Saturday night cut the telephone wire before they left.

They entered on the pretense of buying cigarettes and as Foley went to wait on them one of the pair drew a revolver. His partner took the contents of the cash drawer, $16. After cutting the wires the pair made their escape.

AGED MAN IS KILLED; STRUCK BY AUTOMOBILE

Youth Whose Car Hits Samonski Is Not Held Responsible

George Samonski, 85 years old, 6509 Paulina st., was fatally injured Saturday night when he was struck by an automobile driven by Thomas E. Elwood, 6415 Hermitage ave., on 63rd st. near Paulina st.

Elwood, who is 18 years old, was driving the car east on 63rd st. when he struck the aged man. Samonski was taken to St. Bernard's hospital where it was discovered that he had sustained a fracture of his skull and both of his legs were broken. He died Monday afternoon.

P. J. Edwards, a step-son of Samonski, with whom the aged man made his home, signed a complaint against Elwood charging him with assault with a deadly weapon before his father died. Elwood was bound on a real estate bond of $1,000. Police officers who tested the brakes on Elwood's car found them to be in good condition. The case was continued to April 16 by Judge Peter H. Schwaba in the East side court.

Upon the death of Samonski, Elwood was again taken into custody and held for the inquest.

Testimony of witnesses showed that Samonski had stepped from between two parked cars and into the path of Elwood's car and the coroner's jury exonerated him from all criminal responsibility and ordered his release from custody.

Mr. Samonski lived for five years at 73rd st. and Racine ave., but moved to his last place of residence in November. He is survived by a widow, two sons, George G., James J., and Alexander A., and one step-son, Robert J. Edwards.

Funeral services will be held Friday morning at 10 o'clock from St. Pedro's church. Burial will be in Calvary cemetery.

CAB FAILS TO STOP AT BLVD.; TWO HURT

Frank Hirch, 36 years old, 6938 Adams st. and his wife, Silva, while crossing 63rd st. at Lowe early Saturday morning, were both struck and injured by a cab. According to the police, called to stop at the boulevard.

Hirch was cut about the head and Mrs. Hirch suffered a concussion of the brain. Both were taken to St. Bernard's hospital by the police.

Charles J. Fox, 1293 Albany ave., the cab driver, was arrested and charged with assault with a deadly weapon. He demanded a jury trial and appeared before Judge Peter H. Schwaba in the Grand Crossing court.

James McKinley, 7 years old, was internally injured Saturday afternoon when he was caught between a tree and the rear end of a truck that backed up in front of the boy's home at 1213 W. 71st st. William Dykema, 6026 Racine ave., the driver of the truck, was not held by the police.

The boy was taken to the Presbyterian hospital.

TO SHOW FEATURE PICTURE AT SHERMAN

The Signal Corps of the 6th Corps Area, U. S. army, has extended to Major Frederic Kessler, park director of Sherman Park, the courtesy of showing to park patrons, a motion picture of the U. S. army in action in France during the World War, "Flashes of Action," at the assembly hall Friday evening, April 4, at 8:30 o'clock.

Among the features shown will be submarine destroyers attacking submarines and dropping depth bombs, landings in France, men going "over the top" under shell fire and gas, big navy 14 guns at Verdun, tanks advancing, gas troops, bringing back wounded from front lines, and scenes in "No Man's Land." "Aeroplane Bombing" in two reels, will show the bombing of German submarines from aeroplanes, testing effects of gas and high explosives on battleships, bomb flights from aeroplane to target, smoke screens and gas attacks.

DANIEL RUSSELL IS MADE TEMPORARY DIRECTOR AT OGDEN

PLANS BROADER PROGRAM OF ACTIVITIES FOR YOUNG PEOPLE

A broader program of recreational activities is planned for Ogden Park by Daniel Russell, a student at the University of Chicago, who was appointed acting director by the South Park board, Friday.

Mr. Russell, who is a graduate of the Baylor University at Waco, Texas, is working for his master's degree at the University of Chicago and for the past two years has been employed as director of various commercialized recreations.

He was one of the candidates who took the civil service examination for the directorship of Ogden Park, a place left vacant by the resignation of Miss Flora Wolfson, who became assistant director of the school playgrounds. The results of the examination have not been made known but unless some of the other aspirants for the position pass with higher honors than Mr. Russell he will probably remain permanently at Ogden.

"The program at the parks has features of interest only to women's clubs and to children," said Mr. Russell. "There is nothing in our program to attract the young people and this is what I intend to do. Dances will be added to our list of recreational activities to induce the young people between the ages of 16 and 21 to attend the park and keep away from the commercialized places where the dollar is the most important interest of the owner."

Previous to coming to the park Mr. Russell was employed at the Marigold Gardens, a north side dance hall, as recreational director, and also occupied the same position at the Midway Gardens, at Cottage Grove and the Midway.

BANQUET AND GIFTS GIVEN POLICEMAN

Associates and other friends of John E. Egan, former police lieutenant, for thirty-three years a public servant, whose three sons, John, Charles and William have followed in his footsteps as policemen, honored their retiring officer with a banquet at Bussell's hall, 52nd and Robey sts. Monday. Mr. Egan, who lives at 6012 Talman ave., was presented with a check for $1,200 and a platinum watch and chain by 250 guests at the supper, an expression of the appreciation of the community for his activities.

Felix B. Janovsky was toastmaster. The committee in charge of the evening's entertainment was composed of James Calek, R. Froelick, John Tennessy, James Houser, P. Koriovsky, John Copicam, Charles Zapotocky and James Kevarik. Mr. Kanovsky, Alderman Thomas F. Byrne, and Lieutenant Schubert told of their connections with Mr. Egan and praised the services he had rendered the vicinity. His son, Charles, also paid tribute to his father's work in the interests of his city.

TO GIVE ILLUSTRATED TALK ON WASHINGTON

Stereopticon lectures on cities of interest both in this country and abroad are attracting audiences to the Copernicus Community school center, 60th and Throop sts., where free entertainments are provided Friday evenings.

Illustrating the Daily News lecture the evening of April 4 will be colored slides of the city of Washington. They will be shown at 8 o'clock. "Glimpses of Japan" will be given the night of April 11 at the school. These talks being of historical and geographical value.

Thomas Dudley, who lived seven years in the far east, talked on "Bombay" Friday night.

LINDBLOM TO GIVE "OPEN NIGHT" TO P. T. A.

An "Open Night" will be held at Lindblom high school Friday evening, April 11, for the benefit of members of the Lindblom Parent-Teacher association. The whole school will be thrown open, that the public may see every department in operation.

The R. O. T. C. will hold a silent manual and the school band will play.

FIVE GENERATIONS LIVING IN THIS FAMILY

At the advent of little Jeanne into the George F. Graham household at 6325 Aberdeen st. nine weeks ago she became representative of the fifth generation in direct line living in her family.

Jeanne's great great grandmother, 91 years old, is Mrs. Mary Harriman of Benton Harbor, Mich., next to her her daughter, Mrs. Emily Holder, also of Benton Harbor, and her daughter, Mrs. Hortense Graham, 6242 Justine st., is holding the baby. Mrs. George F. Graham (right) is taking the place of her husband.

DREXEL PARK BIBLE CLASS WINS CONTEST

Silver Cup and Pennant Are Awarded for Record Attendance

Possession of the silver trophy cup and the South Side pennant for the "A" group in the Men's Bible class attendance contest was awarded to the Drexel Park Presbyterian church which for nine Sundays had an average of 565 men present at its meetings, the largest number present at any class gathering anywhere in the city.

Music, uniforms, bands, automobiles and contest winners featured in the parade held Sunday denoting the end of the campaign which has engaged the attention of church goers for more than two months. Five hundred men and 100 machines were seen in the Drexel Park men's line of march which culminated at the Immanuel church where the prizes were presented. The Lorimer Memorial church, south section winner of the Section C trophy, cheered the winners.

That others may share the class members' pride in their attendance record trophy, the cup awarded them has been placed on exhibition in the Charles Thompson window, 6317 Ashland ave.

Dr. David J. Evans of Kansas City, summoned to Chicago to speak at the conclusion of the membership drive, complimented the Drexel men on their Democratic abolition of social lines which enabled professional men to co-operate with laborers, and the poor in money to mingle with the well-to-do.

Under the leadership of Dr. J. W. Seaborg, the class set a pace for the entire city. It also established the record of being responsible for the existence of its church. When the institution was without a pastor, the Drexel Park Presbyterian Men's Bible class urged Dr. C. C. Cox to take the pastorate. In five years the church brought the membership from forty-two to near 1,000 persons.

It is the plan of the class to aid in the future to its growth and will continue holding classes each Sunday morning at 12:15 o'clock.

"The class championship is a credit not alone to the Drexel Park Presbyterian church but to the entire community," the Rev. Mr. Cox said Monday.

HAVE MADE PURCHASE FOR AUTO CONTEST

Tickets for the automobile contest to be opened soon under the auspices of the West Englewood Business District association will be procurable from Charles Deneen, chairman of the auto committee, within the near future. The car to be given away will be a Jewett brougham. It was purchased after bids had been received from auto dealers of this section, from the West Englewood Motor company, 6401 Ashland ave.

Reports on Mr. Deneen's committee's activities regarding the contest will be heard at the next meeting of the West Englewood Business District association to take place Monday noon in the Jong Mee Lo restaurant, 63rd and Ashland.

TO ENTER GARDEN SCENE IN SHOW

Classes in artificial flower making are being formed Sunday and Wednesday afternoons at Ogden Park to prepare the park's display in the annual South Park Flower show to be held at Sherman Park from May 4 to May 18. The classes are open to both girls and women and all material will be furnished free. Miss Ellen Warner is in charge of the instruction.

Daniel Russell, the new director at the park, announces that Ogden will have a garden scene entered in the show.

PASSENGERS TAKE MONEY AND CAB

Two passengers who had hired his cab at Homan ave. and Roosevelt rd. Thursday morning ordered Peter Sherchuk, 5015 Ogden ave., to drive to 5728 Lincoln st. When they arrived at their destination they held Sherchuk up and after robbing him of $12 drove off in the cab. He reported the robbery to the Englewood police.

LIONS CLUB WANTS TO HOIST MEMBERSHIP TO HUNDRED MARK

PLAN TO TAKE LINDBLOM BAND TO STATE CONVENTION TO BE HELD AT ELGIN

Another membership drive will be started by the West Englewood Lions club in an effort to increase their membership to one hundred, according to an announcement made at Thursday's meeting by President William K. Peak. The club needs about twenty-five additional members to reach the century mark.

A vote will be taken on the advisability of doubling the initiation fee at the close of the drive May 1 and, as indications are that the measure will be passed, special inducement will be offered to prospective members.

President Peak also announced that plans were under way to have the Lindblom high school band join the delegation from West Englewood club to the state convention at Elgin on April 19 and to have the club go in a body by automobile. A trophy will be awarded to the club having the largest representation at the convention and the local organization is laying plans to make a strong bid for the honor.

A donation of $150 was made by the board of directors to the Boy Scout financial drive.

A ladies' night of the club will be held April 9 and arrangements are being made to handle a crowd of over 150.

The toastmaster next week will be A. R. Millner; the three minute speaker, O. M. Zeis; silent booster privileges will be exercised by Carl Christenson; and stationery is to be provided by Charles Enders.

REAL ESTATE MEN ENTERTAINED BY BOARD

With eighty-one present, the most to have been assembled at any one time since the Chicago Real Estate board started its membership drive, that board entertained all real estate men south of 39th st. and west of Halsted at a chicken dinner Monday noon served at Jong Mee Lo restaurant, 63rd and Ashland.

Use of the word "realtor" to designate their calling will be accorded Twenty-five real estate men in attendance upon their acceptance as members of the board. They signified their intentions of joining.

Credit was given Elmer Jordan by the board's officers for his efforts in obtaining so large an attendance at the meeting. Mr. Jordan acted as chairman at the meeting.

Speakers were Frank J. Kohn of the People's Stock Yards bank, Henry Jaeger, president of the Guarantee Trust and Savings bank, William Cousin, and Mr. Regelin. The latter emphasized in his talk that the Chicago Real Estate board stood for a "square deal."

"If a real estate dealer exhibits the right characteristics, he can be taken quickly into the board, but if he tries to treat the public other than right, he can be put out of the board a lot quicker than he got in," said Mr. Regelin. He pointed out that the board was ready to back up a realtor in every way as long as he is doing right.

He closed his speech by reciting the following poem:

What Realtor Stands For

"R for real estate that we develop,
lease, and sell,
E for ethics, the code that we know well,
A for ambition to improve in our profession,
L for legislation, that will help at every session,
T for taxpayers that will lend a helping hand,
O for organizations who for a square deal stand,
R for Realtors, the leading brokers in the land.

LOOP LENTEN SPEAKER IN WEST ENGLEWOOD

The Rev. J. T. Wardle Stafford, D. D., pastor of the Metropolitan Methodist church of Toronto, Canada, will preach at Thoburn M. E. church, 64th and Paulina sts., Tuesday evening, April 8, at 7:45 o'clock.

Dr. Stafford speaks to the largest Sunday evening congregation on the American continent. Here to preach at the Monday noonday Lenten service at the Powers theater, 124 W. Randolph st., he will be in this part of the city but once. Archer Ballantine, Thoburn soloist, will sing and Burton Lawrence, church organist, will give an organ recital from 7:30 to 7:45 o'clock.

BOY SCOUT FUND FALLS SHORT OF DESIRED SUM

Parade and Band Concerts Defy Weather to Dampen Efforts

A total of $8,200 of the Boy Scout fund quota is in the hands of the financial committee, and $500 more is reported as collected by workers but not yet turned in, as the result of Saturday's "zero hour" drive. The collection is $3,300 short of the $12,000 goal.

At a meeting of the financial committee Tuesday morning it was discovered that a number of blocks had not been canvassed for subscriptions, due to the fact that workers who had promised their services failed to put in an appearance. Wednesday, Thursday and Friday of this week a group of men will make house to house calls on these blocks in an effort to cut down the shortage.

With bands playing and colors whipping in the wind forty-seven troops of Boy Scouts, including the colored troop from Hope Presbyterian church, and two companies of R. O. T. C., paraded down Halsted street from 79th to 63rd at zero hour.

Undaunted by wind, rain, or mud the troops formed their lines at 79th and Green sts., at 3 o'clock.

Following the police squad was the Auburn Park Lions Boys' band of thirty-five pieces; behind them were the color bearers from Troops 441, 603, 607, 620, 634, 646, 650, and 664; two companies of R. O. T. C. and twenty troops of Scouts followed, and then the R. O. T. C. band from Lindblom high; twenty-seven troops of Scouts brought up the rear.

Along the line of march business stopped; proprietor and customer alike rushed to the sidewalk to see the boys go by. The diminutive cornetists and drummers from the Lions Boys' band, staggering along with instruments nearly as big as themselves, sent a ripple of amusement down the street.

At 76th st. a little touch of comradeship was added to the parade, when a troop of Girl Scouts snapped to attention as the colors were carried by.

Military order was impossible because of traffic, wind, and mud. Hats would blow off and careen down the street with a disconcerted Scout in pursuit; but the calls of friends from the lines on the sidewalks, would not divert a head from "eyes front."

The walking was so tiresome on the wet muddy streets that Scoutmasters Schultz and Palsly called a halt at 63rd and Sangamon when the parade was half over. Some of the younger Scouts seemed tired out. Massing the columns in review Scoutmaster Schultz thanked them and sent them home.

FIFTH ANNUAL BOYS' CONFERENCE APRIL 19

The fifth annual Older Boys' conference, promoted by Hi-Y clubs of Sunday schools and churches in the local district, will be held April 19 at the Ogden Park M. E. church, 68th and Loomis sts., according to preliminary announcements made by Ray Johns, director of the district's Hi-Y work.

Chairman of the publicity committee for the conference is Haroid Hernly of Englewood high school; of the finance committee, John Murphy of Lindblom; registration committee, Maturin Bay, Parker high school; banquet committee, Arthur Mueller of Parker high school; and chairman of the interviewing committee is Ernest Thormahlen of Lindblom. The conference is open to boys between 15 and 21 years of age.

VISITATION ALUMNI TO GIVE OPERETTA

The dramatic club of the Visitation Alumni are busy rehearsing "Pinafore, or the Lass That Loved a Sailor" an operetta by Gilbert-Sullivan. It will be given on two nights, Saturday and Sunday, April 26 and 27, at the Visitation auditorium. The operetta is under the direction of Harry J. Stevens, who has successfully directed operas for the De La Salle Council K. of C.

The leading roles are "Josephine," Miss Bernice Slavin and "Ralph," played by J. P. Hoster. Other important characters are "Hebe," Miss Mary McCarthy; "Buttercup," Miss Virginia Kelley; "Captain Corcoran," Emmett Hudson; "Sir Joseph Porter," George Du Bois; "Dick Deadeye," Oscar A. Grieb; "Boatswain," Thomas Claffy. The principals are assisted by a mixed chorus of fifty voices.

The members of the Alumni are graduates of Visitation high school, 900 W. Garfield blvd.

ARREST TWO BOYS ON THIEVING CHARGES

With the arrest of two boys, the oldest 15, Tuesday morning, Englewood police believe they have solved the mystery of several petty thievings in the neighborhood.

The boys, who are Henry Perillo, 15 years old, 6725 Winchester ave., and James Dorris, 13, 1818 W. 69th st., were picked up by Lieut. Stevenson and the squad from the detective bureau at 2 o'clock in the morning at 69th and Throop sts. At the time they were carrying a quantity of canned goods stolen from the National Tea Store at 1154 W. 69th st. that they had just completed burglarizing.

They were turned over to the detective bureau juvenile officer and to await trial in the Juvenile court were sent to the Juvenile home.

SHOW WHERE WE STAND

There will, on May 1, occur three vacancies on the Chicago Board of Education. Just which of the three will result in reappointments and which places will be filled by new incumbents is, of course, problematical, but perhaps it is safe to presume that at least one and probably two new men or women will be named. We see no reason why one of these new members should not come from and represent the great southwest portion of the city. Without representation for many years, we have now Mrs. Helen Hefferan, who, however, has been resident during the winter at a north side hotel. Mrs. Hefferan's service on the board has been highly commendable, and should amicably incline the administration toward other possible appointees from this part of Chicago.

United action on the part of civic and business associations of Southtown, with either a general request for a local appointee or the selection of a worthy candidate, should not be without results.

Political preferences and "pulls" have in former years had far too much to do with the constitution of the board of education. We are, therefore, inclined to leave all before-appointment interest in the forming of the board to the various political organizations. The candidates they dangle before the eyes of an harrassed executive are too often individuals who happen just then to be doing the political string pulling, rather than far-seeing men and women chosen for their interest in and ability for educational matters and the constructive force they could be in the betterment of Chicago's school system.

Our mayor is a reasonable man. If we show him some likely board of education material, and convince him that the near 300,000 people in Southtown are eagerly awaiting the appointment, you've got another guess coming if you think he would ignore it utterly.

NEED POLICE STATION

A new police station has been promised us, and judging from the number of purse snatchings, holdups, and housebreakings our news columns have been forced to report for West Englewood, Marquette Manor, and Chicago Lawn during recent weeks we cannot have its establishment any too soon. The present system, with the Wentworth ave. station eight miles from the western boundary of the Englewood police district, is a relic of the days when all this great western territory was an open prairie, without need for policing other than help for the farmer residents in finding their strayed stock.

Now we have many closely built and thickly populated areas, which Captain Lee says he is unable to adequately protect because of the great distances from the station. Thugs and thieves and cutthroats have been taking advantage of the situation, preying upon the inhabitants here and using the lonely spots in the district for their operations. How many times have you read of a taxi driver being ordered to go to some West Englewood or Marquette Manor corner, there to be held up by his passengers?

Alderman Byrne should be highly complimented for having engineered approbation for the new station idea. We would like to see it established at once, and trust the opening of local police headquarters will mean the beginning of a new era of law and order in our district.

IS IT A FADE-OUT?

Our plea, further up, for united action to secure the appointment of a Southtown member of the board of education leads us to wish for the common body we once fondly hoped the Southtown Chamber of Commerce would become. Where is the Southtown Chamber of Commerce, anyway? Last year annual election of the organization was held March 12 and now here it is the first of April and we've seen "hide nor hair" of any election, and there has been no meeting for months. If the organization would not be practical or workable, better let it die now than later.

But are you folk who labored for the organization of the body under the impression that you were doing something worth while for Southtown, content to let it die? If not, let's have some action.

BALLOTS, BAYONETS OR BULLETS

By the Rev. C. C. Coy, Pastor of Drexel Park Presbyterian Church

After all, there are only two ways to rule a people or run a government, and that is by ballots, or with bayonets and bullets. And this phrase runs the gauntlet of human endeavors for governments, for when the ballot does not rule, it's then bayonets and bullets. It represents the tendencies of all human action in governmental affairs. The American principle is that of the ballot, but if it fails to be used, then comes the tyrant with his bayonet and the anarchist with his bullet. We are now facing another election and every true American ought to vote. The curse now is the feeling that voting is only a political pull, a scheme that only politicians should be interested in. But each election is an opportunity to express faith in American institutions and ideals. And this sense of responsibility ought to be impressed upon each one.

There are two groups that ought to be taught the meaning of the ballot. The first is the stay-at-home, critical group, who know all things are going to the dogs, but never try to make them go the other way. Tennyson says, "It's better to work for the good than to rail at the evil." Your critical kind do their part to turn the government from the rule of the ballot to that of the bayonet and bullet. Such a man is traitor in spirit if not in action, his heart is ready for the seeds of rebellion, reds and anarchism. To him the government is a mess of political graft and stealing, hence it might as well be overthrown. This very spirit led the Red rebellion in Russia. The man who neglects or refuses to vote is a menace and his right to vote with all the rights of citizenship should be taken away from him.

The other group that are of real danger is that great group who can not vote. The great hordes that refuse to be naturalized, whose hearts and loyalties are to another flag and country. They are here to make money, enjoying the liberty and protection of the flag and yet would not fight for it. This very group stayed at home while we sent real Americans to a foreign shore, stayed at home and got all the good jobs they could get. And this same group today is keeping many a real American out of a job. The man who refuses to be naturalized has no place under the Stars and Stripes. He sends his children out to earn a few pennies, refusing to school them in the American language and ideals, and brings up a horde for crime and expense to the government. It's time that the American nation saw to it that each man under the flag was an American in language, ideals and loyalty. The nation must read the handwriting on the wall. It's either the rule of the ballot, or its the ruin of the bayonet and the bullet.

Page of Chicago also attended.

Given Two Surprise Parties

Unaware that Hugh Leslie had arranged for a surprise party in honor of the birthday of Mrs. Will F. Leslie, 3247 W. 60th st., Saturday, Mrs. C. Emerson, 3342 W. 60th pl., arranged a surprise party for her also. The two groups of guests numbered thirty-three, many of them women who had been girlhood companions of Mrs. Emerson and Mrs. Leslie when they were in their 'teens. Games, music and dancing passed the evening. Refreshments were served. Many gifts were presented to Mrs. Leslie.

Installs Officers

Installation of officers for the Chicago Consumptive society took place Monday evening at the S. H. Harris Englewood Talmud Torah, 62nd and Morgan sts., Mrs. Hirschberg, president of the mother body, delivered an interesting address and installed the following officers: Mrs. Dora Cutts, president; Mrs. Frank, vice president; Mrs. Rose Willens, recording secretary; Mrs. White, financial secretary; Mrs. Schwartz, treasurer; and Mrs. Kanopky, Mrs. Cohen, and Mrs. Rosner, trustees. Mrs. Spiro, Mrs. Wish and Mrs. Shulman were appointed on the membership committee. Mrs. Rifkowitch was named chairman of the happy day fund, Mrs. Engber and Mrs. Lewis were made chairmen of the sick and Mrs. Ethel Melnick was named publicity chairman.

The mother body was represented by a committee which presented Mrs. Dora Cutts, past and future president, with beautiful silver basket in recognition of her efforts in behalf of the organization. There was a musical program and refreshments were served.

There Was an Old Woman Who Lived in a Shoe

The roof became leaky—the sole had worn thru,
The landlord has promised repairs all right,
But before they were made raised the rent out of sight.
This woman despaired till she heard of the way
That Fischer builds homes—and how easy to pay.
From the plans you could see just how it would look
And the cost figured out with no hook or crook.
'Twas lumber from Schenk that she used—never fret,
'Twas the finest and best she was able to get.
Now this was long years ago—she's paid every bill,
And her Fischer-built home is standing there still.

Your house will only last as long as the lumber you put into it. Schenk carries only the best grades of lumber.

W. W. WILSON FAVORS COOLIDGE NOMINATION

W. W. Wilson

Former Congressman W. W. Wilson of this district spent a few days in the city this week making plans for his campaign to secure the nomination as a delegate to the National Republican convention.

"President Coolidge should be nominated for president by the delegates to the Republican National Convention at Cleveland this year," said Mr. Wilson. "If I am elected as a delegate at the primaries on April 8 I will vote and work for him until nomination is made.

Mr. Wilson represented the people here in Congress from 1903 to 1921, for sixteen years, and feels he is justified in stating to his old friends that he feels President Coolidge is the greatest and most courageous man in public life.

"President Coolidge is conservative and constructive, sane and sensible, fair and fearless in all matters pertaining to our country's welfare, irrespective of his own political future," asserted Mr. Wilson, "and we need a man with his sterling honesty, his fair and fearless judgment, his untiring energy and devotion to duty, his constructive and conservative ideas, and his good, sound, wholesome Lincoln-like sense. I hope the voters will cast their ballots for me on primary day as an instructed delegate for President Coolidge."—Adv.

WELL KNOWN JUDGE AND SENATOR CANDIDATE FOR CONGRESS

To the Voters of the Third Congressional District:

I am a candidate for the Republican nomination for Congress from your District, subject to the Primary, April 8th.

I have served the people in the State Senate and on the Municipal Bench of Chicago, and have endeavored at all times to stand for the things that represent good government. If chosen your representative in Congress, it will be my aim and purpose to vote and work for measures which good citizens want.

There are some problems before Congress that demand immediate attention. Among these are relief from the heavy tax burdens which can be accomplished by strict economy and honest expenditures; care for and rehabilitation of the sick and disabled war veterans; justice to our soldiers

Frank P. Sadler

in their request for adjusted compensation; and likewise a square deal for the postal employees in their demands for a living wage; business must be given a chance to breathe and to build with certainty; agriculture has problems that demand the co-operation of Congress; the future of the nation must be safe-guarded and present standards of living maintained or improved in any measure affecting immigration; the child labor amendment to the constitution must be submitted to the people for early adoption and the natural resources of the nation at all times jealously guarded and conserved.

Neither self praise in expensive advertisements nor carefully edited campaign letters constitute a good record in Congress. That can only be achieved by hard, gruelling, intelligent, fearless, and tireless work in committees and on the floor, in fighting the battles of good government, supplemented by strict attention to the needs of the people of this District.

My friends think that I am qualified for this work and can perform it effectively.

Most citizens agree that the present Congress needs the leadership, organization, "pep," energy, and purpose that will give to the middle west and the great state of Illinois, the important place which her wealth, position, resources, business, and population demand.

May I count on your support?

If nominated and elected to Congress, I will give the people of this District the best that is in me.

I will appreciate your vote and that of your friends at the primary April 8th.

Very sincerely,

FRANK P. SADLER.

JUDGE SADLER MADE GOOD AS A JUDGE

"You have at all times fearlessly discharged your judicial duties, impartially, with appreciation of the responsibilities of your position and have stood for the best interests of the Court in its administration."

Tribute of Chief Justice Harry Olson of the Municipal Court of Chicago, to Judge Sadler at time of his retirement.

JUDGE SADLER MADE GOOD AS A STATE SENATOR

"Hard working and courageous; one of the strongest opponents of undesirable measures put forward; indefatigable in efforts to hold down tax rates. Introduced a bill which became a law requiring elective State Officials to pay collections into the State treasury more promptly, thus disturbing an ancient so-called 'legitimate graft'; has served the public faithfully."

Legislative Voters' League,
January, 1922.—adv.

FRED'K H. MONROE

Democratic Candidate For Congress 3rd District

Fredrick H. Monroe of Palos Park, who was endorsed for Congress in the Third Congressional district, by the Country Towns Democratic organization, on January 8, was on March 22 also endorsed by the Illinois State conference for progressive political action.

This Conference, which was composed of merchants, manufacturers, farmers and labor leaders, reported "That of all the candidates on the Democratic ticket, your record and your platform indicated, first of all your qualification for the position of congressman, and second, your understanding and sympathy with the purposes of the conference and your support of those things which we stand for."—Adv.

FRANK McGLINN SEEKS SEAT IN CONGRESS

Frank McGlinn is making a vigorous campaign for Congress in the 3rd district.

He was born in our district and has lived here all his life. He is well acquainted with its people and their needs. McGlinn is qualified by education and experience. He served eight years in the State's Attorney's office.

Frank McGlinn

As an orator he holds an enviable reputation, and has been on the public platform as a campaign speaker and lecturer for twelve years.

Three days after war was declared he enlisted in "Reilley's Bucks" as a private, and returned after sixteen months overseas service with the recommendation for a captaincy.

McGlinn as an ex-service man would protect the interests of his buddies. He is strongly in favor of a modification of the Volstead Act to permit the manufacture and sale of light wines and beer.

He is Vice President of Auburn Park Lions club and active in many fraternal organizations.

"Speedy," as he is familiarly called, is married, and the father of a boy 2½ years old, and a daughter 6 months of age.—Adv.

LEE ON THE JOB STATES M. V. L.

John M. Lee, for 31 years a resident of the community and finishing his first term in the state legislature, is a Democratic candidate for renomination and re-election as state representative from the 11th senatorial district.

Mr. Lee's first term was marked by a close attention to the business of the office and he has received the approval of the school teachers and labor organizations, besides the endorsement of the regular ward organizations.

John M. Lee

Among other activities, Mr. Lee served on the following committees: Agriculture, municipalities, senatorial redistricting and civil service.

The Municipal Voters' league says of him: "Always on the job; attended strictly to business."

In view of his record, and the interested attention paid to his position, Mr. Lee is entitled to be returned to the legislature. A host of friends are laboring to assure his nomination at the primaries, April 8.—Adv.

SWANSON CANDIDATE FOR RE-NOMINATION

David I. Swanson, energetic and efficient Republican representative from the 11th district, has won wide approval by his services in the General Assembly and is a candidate for re-nomination at the Primary on April 8, 1924.

David I. Swanson

Living among the people of the district, Mr. Swanson knows their needs and he has their confidence.

He made an excellent record as a first termer at Springfield and in the legislature held several important committee assignment. He was commend for his attitude toward labor problems as well as proving an able and fair representative of commercial interests.

A member of the law firm of Erickson, Powell and Swanson having offices at 10 S. La Salle st., Mr. Swanson also has a local office at 5033 S. Halsted st.

Because of his record of service and the type of his own character, Mr. Swanson should be renominated and re-elected to the post he seeks.—Adv.

SUPPORT ANDERSON IN HIS FIGHT

Republicans, beware! Don't let the Democrats nominate Small in order to defeat us in the fall! No precinct worker and few candidates are in favor of Primary elections. Primaries cause much work and expense. The primary law was created for the people, presumably, to oppose the power of the politicians. Politicians fear the voters and dare not repeal it, and yet, the voters in general do not avail themselves of it. The result is that the politician with the best organization, which spend the most money and does the most work, is usually victorious, because of lack of interest on the part of the voters

OUR OWN SOUTH SIDE CANDIDATE

As Chief Examiner of Titles of Cook county his decisions have been uniformily upheld by the courts. In the Torrens office not one penny has been paid out of the Indemnity Fund on account of erroneous rulings by him. He argued and won the recent photographic case before the Supreme Court of Illinois, which made the efficiency program possible in Cook county. His suggestions on the Zoning Law saved property owners in Chicago at least one million dollars

J. Scott Matthews

His name is 19th on the Republican ballot for the full six-year term, and 9th for the vacancy. You can vote for him twice. His record speaks for itself. —Adv.

RE-ELECT JOSEPH F. HAAS AS RECORDER OF DEEDS

The great problem of our times is how to reduce the crushing burden of taxation. For his efforts in reducing that burden, and the results which he has achieved, Joseph F. Haas, recorder of deeds of Cook county, is entitled to sincere praise.

As State Senator he was the father of the first Forest Preserve act ever passed by the legislature and also of the Municipal Court act.

Since 1916, when he was elected to his present position as recorder of Deeds and Registrar of titles, the efficiency he has introduced in both the recorder's office and Torrens office has been everywhere recognized.

In December, 1923, J. L. Jacobs, efficiency expert appointed by the County board of Cook county, reported to the judges of the Circuit court of Cook county that the recorder's office was being administered on a high degree of efficiency, and that the recorder of deeds and his department heads and the personnel deserve commendation for the efficient management of the office.

The results of that efficiency show in actual profits made for the people of Cook county. During the year 1923 Joseph F. Haas, as recorder of deeds and registrar of titles, handled more than half a million documents, not only without loss but with a profit of over one hundred thousand dollars to the people of Cook county.

That profit means the decreasing of general taxes. A decrease of general taxes will mean decreased rents. Owners and tenants alike owe it to themselves to re-elect Joseph F. Haas as recorder of deeds of Cook county.

His name appears second on the Republican ballot under recorder of deeds. His record is first in efficiency

Vote for Joseph F. Haas on his record.—Adv.

GEO. A. FITZGERALD SEEKS RENOMINATION

Geo. A. Fitzgerald

George A. Fitzgerald who seeks re-election from the 11th Senatorial district was born at 43rd st. and Ashland ave., is a son of the late Martin L. Fitzgerald.

George has been active in Democratic politics for many years, is, and always has been affiliated with the Regular Democratic organization.

He has been very favorably mentioned in the daily papers during the last session of the General Assembly as an able and energetic legislator, one who could be depended upon, was especially mentioned as being one member who at all times was alert, watchful and on the job at every minute of the session.

His record as a first termer was excellent, being an active member of several important committees. He was highly commended for his attitude toward labor problems. It has been said of him, that the keynote of his success is service. Service in truth, and a sincere desire to be of assistance in matters pertaining to the people of the district.

You will find George untiring in his efforts to serve. A young man who enjoys the friendship of all who know him. He is ever willing and ready to assist in all matters and expects nothing in return, but the friendship of the people, he so ably represents.

George is in the real estate business with offices in the Chicago Title and Trust building, and at 1312 W. 79th st. Mr. Fitzgerald has lived in the district for the past 20 years, and now resides at 7225 Perry ave., with his wife and five children. Because of his record and loyal service to the people of his district (the district in which you live), George A. Fitzgerald should be renominated and reelected to the office he seeks. —Adv.

ALERT, CAPABLE PUBLIC OFFICIAL CANDIDATE FOR RE-ELECTION

CORONER WOLFF SHOULD BE RETURNED TO OFFICE ON THE RECORD HE HAS MADE

Oscar Wolff, the present coroner, seeking renomination on the Republican ticket at the Primary election to be held April 8, 1924, is deemed by us, and all others with whom he is acquainted as having the necessary qualifications to fill this important office.

He was born in Chicago in 1875 of very humble parents, and lives at 10611 Avenue H, South Chicago, where he has lived his entire life. He has been in the real estate business since his school days and has spent seven years as commissioner on the Board of Local Improvements, serving as chairman on the most important committee on the board, namely the Streets and Alleys Committee, where he saved the city of

Oscar Wolff

Chicago over $200,000.00 in judgments and fees.

While our county has steadily continued to grow in population, the Judges of the Circuit Court have cut down his force of employees, but Mr. Wolff, not to be outdone, has been paying out of his own salary two of the force of the coroner's office rather than decrease the efficiency of his office.

Chicago is the only large city in the United States in which the death rate by automobiles has been decreased last year, due chiefly to the unrelenting campaign waged by Coroner Wolff against the reckless and drunken drivers of motor vehicles.

While Mr. Wolff is by no means a wealthy man, he has done wonders in South Chicago in a charitable way, having housed and fed many overseas boys on their return from war until they became self-supporting, and also in the big Shopmen's strike ordered their committee to pass out rations at his expense, as he wanted to help his fellow men and neighbors as well as he could without any thought of future reward.

Where Do You Buy Your Groceries?

Your preference, of course, is for the store having the largest stock and variety of goods. In addition, the prices must be reasonable and compare favorably with prices in other stores. There should be no short weight or unfair tactics whatever, so that your confidence in the store may be increased.

Where Do You Buy Your Real Estate?

Do you exercise less care in purchasing a home than you do in purchasing groceries? Is it not just as important for you to consult the store with the largest stock where comparison of values is possible? The four offices of this organization exchange their listings, thus giving each office four times as much property to offer as the ordinary real estate office has.

PROPERTY OWNERS KNOW THIS and are much more willing to list their property with us, when they desire to sell, at reasonable prices and terms. Don't fail to use this exceptional service.

BEN STEVENSON TRIMS FLORIDA GOLF CHAMPION

Playing Only Seven Months, Local Business Man Startles Resorters

After seven months of playing the average golfer begins to set his heart on getting below the one hundred mark, but that is not the case with Ben Stevenson, head of the steam-fitting concern at 7921 Halsted st., who returned last Monday night from a two months' vacation in Miami, Fla.

Stevenson, who has been playing the game for only a little over a half year, attracted considerable attention from the Florida press by going to the semi-final round in two of the most important tournaments held in the peninsular state and he had the honor of defeating the amateur winter champion of the state in a match that went twenty holes.

He took up the game last June and at first was only moderately interested in the sport. As the season progressed he became more devoted to the game and took out memberships in both the Olympia Fields and Southmoor clubs. Then followed a layoff for a few months during the early part of winter, but he resumed play again upon his arrival in Florida. His form returned and a month later he was entered in the Glenn H. Curtis trophy contest on the Hialeah course at Miami.

He and James Stillman, the New York banker, tied for sixteenth place in the qualifying round, and it was a toss-up to decide who would go into first flight. Stevenson won.

The first flight consisted of the sixteen players coming in the lowest scores in the qualifying round and as the competition was very strong Stevenson was not conceded any chance. However, he went to the round before the semi-finals before he was defeated. His conqueror was E. J. Junkin, jr., one of the leading Florida golfers, who won 3 and 2.

Vanquishing the champion was the high light of Stevenson's play. It was in the Dixie country club tournament, held the latter part of March that he met the title-holder. Both Stevenson and C. N. Phillips, the champ, landed in the second flight of this meet. In the match before the semi-finals they met, and the champion, playing brilliantly, had Stevenson four down on the seventh hole although the local player took the first hole.

Stevenson started a comeback on the eighth by shooting a birdie two for the short hole. However, it was not until the thirteenth that he finally got going and four successive fours, one of them a lovely birdie, won three and halved a bogey hole to square the match.

Both had poor drives on the fourteenth and Phillips, in a bad hole, lost a stroke playing out but had a sensational brassie to the green and then were even after three shots. Phillips came up for a thirty foot putt and Stevenson was short on his approach and then just missed a cross-putter for a game that tied and a halve when Phillips missed his short putt.

A long, long drive gave Stevenson the hole and momentum, meanwhile for Phillips slipped in the rough. However, they went back on the same form on their second. Stevenson approached masterfully for a twelve-foot putt and won the hole when Phillips, shorter on his approach, took three putts, missing a six foot putt.

In the semi-final Stevenson was eliminated by H. S. Shallenberger, who he had eliminated in nineteen holes in the Curtis cup tournament.

RAVENSWOOD K. C. FIVE BREAKS UP WINNING STREAK OF MARINES

ABSENCE OF REGULARS AND WEIGHT OF VICTORS WEAKEN LOCALS

The winning streak of the Marine A. C. was broken by Ravenswood K. C. when the north shore handed the locals a 27 to 11 reverse Wednesday at Our Lady of Lourdes Church.

The absence of Dahl, Nolan and Marple materially weakened the Marines, in addition to which the local boys were heavily outweighed.

Ravenswood built up a substantial lead in the first half due to accurate shooting by Crowe and McCormick. In the second half the Marines bagged somewhat and played their opponents even.

Moffatt did creditable work for the locals while the team play of the winners featured.

Basketball games of good class for the Chicago Seascout league have resulted as follows:

Corsair vs. Roosevelt Corsair won 29 to 6; John Paul Jones vs. Eagle—John Paul Jones won 15 to 3; and John Paul Jones vs. Wilson John Paul Jones won 26 to 6.

WHITE ARROWS PLAN FOR BASEBALL SEASON

Eighteen members of the White Arrow A. C. attended a special meeting held last Thursday evening at the home of the president, Clifford Rogers, and plans were made for the forming of the baseball team. Ellis Hullinger was elected manager and it was decided to purchase thirteen uniforms. Competition for places on the team promises to be keen as every member of the club will try out for a regular berth. A program of entertainment was furnished by the club members after the regular business had been disposed of.

The White Arrows are now a chartered club, having received their charter from Secretary of State Louis Emmerson last week.

OGDEN WINS SOUTH PARK VOLLEY TITLE

Taking three out of four games from Arcour Square in the finals played at Grand Crossing Park Saturday, Ogden Park Men's senior volley ball team won the South Park championship. Ogden won the first game, 15 to 12, but dropped the second round, 10 to 15. They came back strongly in the third match and tucked a win away by a 15 to 8 score and after trailing, 13 to 11, they rallied and won the last game, 15 to 13.

SISTECKY'S 7 BASKETS WIN FOR CHAPMANS

Joe J. Sistecky, who took seven baskets from the floor, the Chapman A. C. cagers defeated the Swedes in a one sided game Friday at the St. Ignatius court by a 36 to 6 score. Every member of the winning quintet broke into the scoring column and "Chick" Welch, although closely guarded, followed Sistecky for scoring honors with four ringers.

ST. MATTHEWS WINS LAST TILT BY LATE RALLY

Score Ten Points in Final Two Minutes for Victory

St. Matthews closed their season in the Augustana Lutheran basketball league Wednesday at the Normal Arts gym by rallying in the final two minutes of their game with Tabor and tucking away a win by the close score of 17 to 16.

St. Matthews was seven points behind two minutes before the final whistle and in a desperate effort to save the game Gordon was sent in for right forward and a scoring rally started. Five times the ball went sailing through the hoop, giving St. Matthews a one point margin of victory over Tabor, who in the meantime had scored two points on Paulus' basket.

Paulus was the high scorer of the game, registering four ringers and a pair of free tosses. His mate, R. Johnson, came next in line with three baskets. Gordon, Fulford and Swanson tied for scoring honors with St. Matthews, each making two baskets from the court.

LATE RALLY NETS WIN FOR AUBURN EAGLES

By staging a rally in the last half the crack Auburn Eagle basketball team defeated the Normal Baptist quintet on the winners' floor Tuesday night by the score of 22 to 18.

The Normals' fast floor game and accurate basket shooting swept the speedy Eagles off their feet, giving them a lead of 12 to 8 at the end of the first half. When the second half opened, the Eagles tightened their defense and recovered their usual stride and took the lead within a few minutes of play on successive baskets by McKinnon, Stafford and T. Smith and kept a comfortable lead and outplayed the Normals throughout the remainder of the game.

McKinnon was the star for the Eagles, caging six field goals, while T. Smith and Stafford were prominent in their floor play. Sidney, Normal's clever right forward, played the best game for the losers, getting four baskets.

Out of the Rough

By Fred S. Clisbee

Article 10

With last week's article appeared illustration of the position when the first part of the down stroke was completed. Arrived at by carrying the arms down and tracing the line you observe from the hands at the top of back, swing to the ball. With a little concentration and practice you will find this hitting line, as I term it, becoming established and find you are able to swing the arms freely to this point without the body being brought into the swing.

Make this arm swing very slow at first, paying particular attention that it is carrying on this line. If you do this you will find the club arriving nearer the ball each time before the right shoulder becomes pulled into the

swing. After you have familiarized yourself with this part of the swing, allow the right shoulder to be pulled into play.

As your head is held in the same position throughout the swing, the right shoulder travels on a course which carries it under the chin to avoid raising the head when the shoulder moves in this course, backing up the arm swing. Its advancement should automatically straighten the left knee and in turn cause the right knee to bend and the leg to drape as shown. If this movement is timed, the club speeds through the ball and up to the finish position as illustrated without any effort on your part. If you have to force the club in the follow through to obtain this finish position your shot will not be satisfactory. A little persistency will win out and the results will more than pay you for your efforts.

Here are a couple of tips that will help you. To keep the body from coming in too soon on the down stroke, keep the right hip back in the position it is in at the top of the swing and the left knee bent until it is made to straighten by the swing.

To have the club follow through hold the head even with the ball until after the club has hit and passed through the spot you are aiming at. If you don't actually see the club head and the course it travels your head was not still.

CLOSE SEASON IN AUGUSTANA LUTH. BASKETBALL LEAGUE

GRACE, CHAMPS, FINISH UP WITH EASY WIN OVER BETHEL

Final Standings

	Won	Lost	Pct.
Grace	13	1	.929
Bethany	11	3	.786
St. Matthews	8	6	.571
Gustavus Adolphus	8	6	.571
Bethlehem	7	7	.500
Bethel	5	9	.357
Elim	4	10	.286
Tabor	0	14	.000

Final games of the season in the Augustana Lutheran Basketball league were played last Wednesday evening at the Normal Arts gymnasium and were all hotly contested. The attendance showed that interest had not lagged even if the season has been long drawn out.

In the first game, Bethany held a lead of about eight points during the entire game until the last two minutes, when a desperate rally by Bethlehem came within one basket of tying the score, which ended 24 to 22 in favor of Bethany. Grace, with three regulars out of the lineup, had no trouble in disposing of Bethel, 20 to 6. Crewe and Larson starred for the champions. St. Matthews trailed Tabor during the whole game but came fast at the finish and a basket by Arvid Swanson, their fighting guard, won the game in the last minute of play, the final score being 17 to 16.

By winning this game, St. Matthews tied for third place. Gustavus Adolphus forfeited the last game to Elim on account of not having enough eligible players, but played an exhibition with outside assistance, including the services of our sterling referee, Nate Wasserman, Parker high coach, who tossed the winning basket just before the whistle blew.

BOYS DEFEAT GIRLS' VOLLEY BALL SQUAD AT NORMAL COLLEGE

GIRLS HOLD LEAD IN FIRST HALF BUT ARE UNABLE TO KEEP UP PACE

Muscle and brawn triumphed over scientific attack Thursday at the Normal Arts gym when the boys of the Manual Training department defeated the All Star Girls' volley ball team 22 to 21, in the first athletic game ever held between the girls and the boys at the Normal college.

The girls put up a wonderful fight, holding a lead of 11 to 10 at half time. Led by Peggy Maher they played a clever offensive game and frequently sent the ball into unguarded territory. The boys showed no well developed attack but their terrific serves and fast returns were too much for the girls, who slowed up in the second half. Charles Murphy led the play for the victors. Over five hundred rooters attended the unique game.

Editor, Southtown Economist,
Dear Sir:

In the Daily News of April 1 on page 21 official recognition was given to nine employees of the Illinois Bell Telephone company in form of medals donated from the Theodore N. Vail fund for norteworthy service during 1923. According to the statistics compiled by the Bell Telephone News no recognition was given to the exchange right in the heart of our community—namely, Prospect exchange.

Countless times have this corps of public servants given aid without any sign of response or gratitude from our people. Citation upon citation could be given, were the citizens just thoughtful enough to drop a card to the main office and relate the incidents where they have been assisted numberless times where accidents have been avoided by telephone employees' alertness and speed. Let us, the residents of Marquette Manor, West Englewood and Chicago Lawn stand as a unit in our opinion in this matter so that our operators at the Prospect exchange may receive their share of recognized merit which is their reasonable returns from us, a grateful and appreciative people.

LEGION WILL SPONSOR SCOUT TROOP 604

Troop 604, Boy Scouts of America, is the troop that Englewood post No. 61, American Legion, has officially adopted and will sponsor. A troop committee has been appointed, consisting of the post chaplain, W. E. Troesch, as chairman, Senior Vice-Commander Kester, and Junior Vice-Commander Wall. They in turn elected F. Elzinga as Scoutmaster, with instructions to take charge of the troop as soon as possible. Englewood Post has the distinction of being the first legion post in the 4th district to take this action.

The names of more than twenty ex-service men have been considered as eligible for membership, and passed upon by the executive committee at its last session. They were elected as candidates for membership, and will be initiated at the next district convention. It was also decided to accept transfers from other posts without any additional charge, fee or assessment, in the future.

Commander Eldrington appointed a publicity committee consisting of F. Elzinga, chairman, W. E. Troesch, and H. Kester. Past Commander E. N. Holmgren was re-appointed service officer. Owing to continued absence from meetings, the offices of Dr. E. E. Morton and Harry L. Prin, were declared vacant, and an election ordered to fill these vacancies.

ORCHESTRA TO GIVE ANNUAL CONCERT

The second annual concert will be given by the Thoburn church orchestra at the church, at 8 o'clock Thursday evening, April 10. It has been stated that this is the largest church orchestra in the world, there are 115 persons in it. There will be over fifty persons playing at this recital. A. C. Amidon is the director.

SOMEBODY SAID

The infant son of Mr. and Mrs. John Weissensten, 7010 Ada st., died Thursday at German Deaconess hospital. He was buried Friday at Mt. Greenwood cemetery.

At the Parent-Teacher association meeting held last Thursday evening, March 27, in the Harper school auditorium, David Krueger, 1948 W. 59th st., spoke on "What Scouting Has Done for Me."

Dr. and Mrs. O. A. Northstrum, 7959 Marshfield ave., are the parents of a son born Wednesday morning, March 26, at the Chicago Lying-In hospital. The mother formerly was Miss Agnes McGee, 6400 Honore st.

Henry Bricker, jr., 6842 Irving ave., and a party of friends will enjoy a hike to Palos Park Saturday, returning Sunday.

Food for Cannon and Thought

There would have been no occasion for Sherman's remark if Barnum hadn't been right.—The Kansas Lekilled them."

But this was drawing the long bow a little too far.

"I say, old chap," said a shocked voice from the corner, "what sort of ants were they?"

"Eleph-ants," replied the inoffensive individual.—London Tit-Bits.

Different Crosses

The dusky porter of one of the photoplay theatres found a Red Cross button the other day, and bringing it to the box office he inquired:

"What's dis?"

"Oh," said the cashier, "that shows you have subscribed a dollar to the Red Cross fund."

"Goodness," said the man, "I was afraid to put it on me because I thought it was a klan pin."—Youngstown Telegram.
